

SITETRAIN

Who we are

RTO Provider No: 41466

We are a small Registered Training Organisation (RTO) who focus on providing onsite training. We have offices in NSW and Kalgoorlie. Our industry niche is that we are small, experienced, efficient, approachable and endeavour to provide you with the service you need at a reasonable price. Our NSW regional trainers have more than 20 years' experience and are happy to travel to site in NSW.

What we do

Onsite Day Training - *We can personally deliver "Industry Critical Standard" nationally accredited training modules onsite for the following scope:*

- RIIWHS202E Enter and work in confined spaces.
- MSMWHS217 Gas test atmospheres.
- RIIWHS204E Work safely at heights.
- RIIVEH305E Operate and maintain a four wheel drive vehicle.
- RIIMPO304E Conduct wheel loader operations.
- RIIMPO208F Operate support equipment (telescopic handler).
- RIIMPO301E Conduct hydraulic excavator operations.
- RIIHAN305D Operate a gantry or overhead crane.
- RIIWHS301E Conduct safety and health investigations.
- **Supervisors Course** – RIICOM301E Communication information, RIIWHS301E Conduct safety health investigations and RIIRIS301E Apply risk management processes

3rd Party Agreements – *Do you prefer to run onsite training yourself but still want it to be nationally certified? You can do just that with a 3rd party agreement with Sitetrain. Our prices are very competitive. Please contact us for more details.*

Please note the following;

- **Not all available training is listed above please contact the office, if you would like discuss your requirements, we may be able to help.**
- **All training can be customised to suit your business requirements.**
