

Language, Literacy and Numeracy Indicator
RIIHAN305D Operate a Gantry or Overhead Crane

ANSWERS

1. **1000kgs + (640kgs x 2) =2280 kgs.**
2. **Lifting and moving items.**
3. **Heavy materials – steel, pallets, drums, bags, large containers.**
4. **No, you would not continue to the crib room.
You will have to go around another path or find out from the workers when the lifting will be completed and wait until then.**
5. **A sling/lifting sling.**
